HIKE ALPS DOPPELBOCK

GERMAN-STYLE DOPPELBOCK

7.6% ABV

Brewed with German dark malted barley and a unique Bavarian lager strain, the Doppelbock is inspired by a classic brewery in Aying. This malt-forward lager showcases layers of flavors such as toffee, pumpernickel, and dried fruit. Take a sip and be transported.

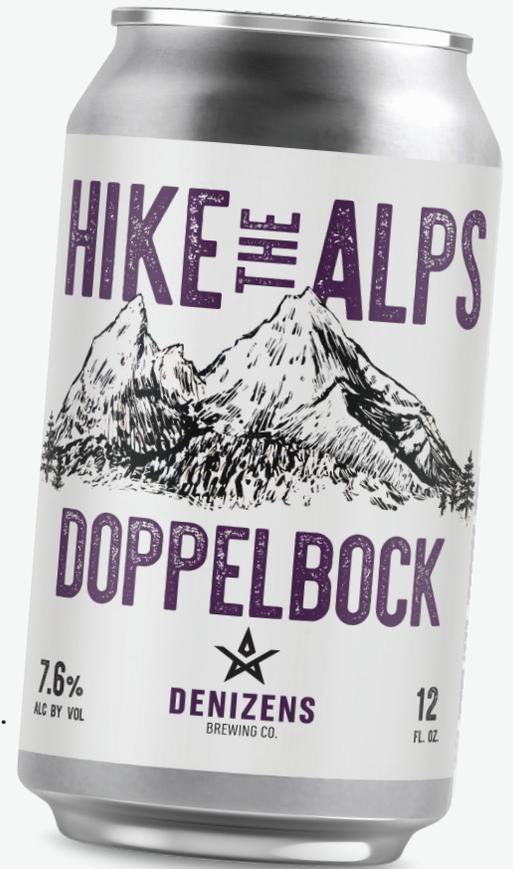

The Hike the Alps beer collection is inspired by traditional breweries along the base of the German and Austrian Alps that were enjoyed while our founder and head brewer was finishing brewing school in Bavaria. His travels sealed his passion for these beers and here we emulate the beers through technique, ingredients, and passion.
