## HIKE ALPS DUNKEL

GERMAN-STYLE DUNKEL LAGER

5.8% ABV

Brewed with German dark malted barley and a unique Bavarian lager strain. This deep ruby colored lager has a depth of bready malt character and subtle nutty flavors inspired by a classic monastery brewery in Andechs. Take a sip and be transported.

The Hike the Alps beer collection is inspired by traditional breweries along the base of the German and Austrian Alps that were enjoyed while our founder and head brewer was finishing brewing school in Bavaria. His travels sealed his passion for these beers and here we emulate the beers through technique, ingredients, and passion.
