HIKE ALPS HELLES

GERMAN-STYLE HELLES LAGER
5.3% ABV

Brewed with German malted barley and a unique Bavarian lager strain. This refreshing golden colored lager has soft flavors of biscuit and crackers from the malt, balanced by a small amount of hops, and is inspired by a classic monastery brewery in Andechs.

The Hike the Alps beer collection is inspired by traditional breweries along the base of the German and Austrian Alps that were enjoyed while our founder and head brewer was finishing brewing school in Bavaria. His travels sealed his passion for these beers and here we emulate the beers through technique, ingredients, and passion.
