PRIVATE EVENTS GUIDE**

Welcome to Denizens Brewing Co.'s Riverdale Brewery & Taproom

Denizens Brewing Co. was founded in 2014 and has been crafting and distributing our beer around the region for the last decade. Built in 2019, our Riverdale Park brewery and taproom features a full-service bar with craft cocktails and mocktails, two semi-private event spaces, and access to our 9,000 square foot production brewery, viewable from the bar through a wall of windows. Our draft list offers up to 20 unique Denizens beer and hard seltzer drafts including many of our small batch seasonals only available in the taproom. We can accommodate large groups from 10 - 200 guests for a wide range of events in both indoor and outdoor spaces. Enjoy our fresh craft beer made steps away in addition to a full bar and food menu provided by our local, in-house food partners Catalyst Hot Dogs. A denizen is a local. It's you. And you always have a seat at our table. We look forward to seeing you soon. Cheers!

FOOD OPTIONS

Individual Checks

Each guest opens a check at the bar or with a server and orders from the regular menu.

Hosted

1. A check is hosted in full or a host orders shareable items from the regular menu for a group to enjoy. These items can be ordered at the beginning of the event and throughout the event as needed.
2. Catalyst can cater a buffet of appetizers or a full meal for larger events offering a range of bar snacks, a build-your-own hot dog bar, and elegant classics. The minimum catering order is \$500, plus taxes and gratuity. If you prefer this option, we work together to select a menu that will be perfect for your event.

FAQs

Q: Are there time restrictions on when I can reserve space at the taproom?

A: You can reserve space any time we are open.

Q: Do you charge food and beverage minimums or other event fees?

A: We generally do not charge any event fees beyond AV fees when requested. For any private event hosted during our peak service periods (e.g. weekend evenings), we may require food and beverage minimums in order to provide dedicated space for your event. All food and beverages purchased during your event count towards your minimum. If you do not reach the minimum during your event, we will charge the remaining amount owed as an event fee.

Q: Can my group have separate tabs or checks or am I required to host everything?

A: It depends on the day and time of your event, but we can almost always accommodate individual checks for large groups. It is also possible to host food and beverage for a group.

Q: Can I bring a cake?

A: Yes, you are welcome to bring in cakes or cupcakes. There is a \$25 cake fee that includes receipt of delivery and storage (if desired), plates, napkins, and other utensils for service.

Q: Can I bring in decorations?

A: We welcome balloons, signage, flowers, and other decor. In all cases, we ask that you do not bring in or use any glitter, confetti, or other items that are difficult to clean up. If these items are used, we will charge a clean up fee.

Q: Are children allowed on the premises?

A: Children accompanied by caregivers are always welcome. During busy periods we ask that small children remain seated and under the watch of a caregiver at all times. Older children and those under 21 are always welcome.
