# OVERVIEW

Founded by Emily Bruno, Julie Verratti, and Jeff Ramirez, Denizens Brewing Co. is majority women- and minority-owned and operated. With diverse expertise, each founder brings something unique to the table.

As Silver Spring residents, Emily and Julie knew that the area and its denizens deserved more nightlife options. They aspired to open a venue where the community could enjoy themselves and all that the craft beer world has to offer. To do so, some rules had to be changed. Drawing from their political backgrounds, they worked with local government officials to change the law so that Denizens could self-distribute without going through the county, ultimately increasing our ability to ensure fresh craft beer at reasonable prices.

Jeff Ramirez leads the brewing team here at DBC to make high-quality craft beer accessible to all. With years of experience in breweries spanning from Iron Hill in New Jersey to Colorado's Mountain Sun, Jeff brings the brewing culture of Colorado to the DC area. Trained at the Siebel Institute and World Brewing Academy, Jeff has produced a myriad of styles, specializing in wild, sour and funky beer, and won various awards for his work.

# FAQs

## For all those need-to-know questions.

### **Q. Are there any time restrictions on when I can reserve space at the brewery?**

A. You can reserve space anytime we are open. If your event is not during our normal hours of operation, opening early is a possibility in some cases - just ask.

### **Q. What exactly is a food & beverage minimum? Do I have to commit to one? Why?**

A. Food & beverage minimums are only required to guarantee dedicated space for your event and are based on the capacities of the spaces. All food items and beverages count toward the minimum. If your party exceeds the minimum, you can switch to a cash bar or pay the difference.

### **Q. Can my group have one tab or separate tabs?**

A. In order to guarantee dedicated space for your event, we require one tab until the food & beverage minimum is met. After the minimum is met, we can easily switch over to separate checks where individuals cover any additional food or drink. In all cases, we require a card on file in the case of unclaimed items.

### **Q. Can I bring a cake?**

A. Yes, you are welcome to bring in outside cake or cupcakes. There is a \$25 cake fee that includes storage (if desired), usage of our dishes and silverware, and any clean up that is required.

### **Q. Can I bring in decorations?**

A. Our decoration policies vary depending on which space you are reserving. In all cases, we ask that you do not bring in any glitter, confetti, or other items that are difficult to clean up.

### **Q. Are children allowed on premises?**

A. Children accompanied by caregivers are welcome. Because we are a manufacturing facility located on a busy road, we ask that children remain seated and under the watch of a caregiver at all times. Individuals under 21 are not able to participate in brewery tours.

### **Q. How do we get there? Where is the best place to park?**

A. You can walk, bus, metro, or drive to Denizens Brewing Co. We are located at 1115 East-West Highway, Silver Spring, MD 20910.

**Metro:** We're a ten minute walk from the Silver Spring Metro station on the red line. Seven minutes if you're a speedy one!

**Bus:** The brewery is on the 18 and 8 WMTA bus lines and a short walk from the S2, S9, 28, 70, & 79 bus lines.

**Drive:** If you plan on using a designated driver, there are several public lots steps from the brewery. We recommend the Kennett Street Garage on the corner of Bottleworks Lane and Kennett Street. It's only a block away from the brewery and free after 7pm and on the weekends. There are additional public garages further down East-West Highway toward the Silver Spring Metro and Colesville Road.
