OUR STORY

Founded in 2014 by Emily Bruno, Jeff Ramirez, and Julie Verratti, Denizens Brewing Co. is a women and minority-owned and operated Maryland business. With diverse expertise, each founder brings something unique to the table.

We opened our doors to our Silver Spring Barrel House & Beer Garden in July 2014 and have been serving a wide range of craft beer styles to our taproom and wholesale customers over the last five years. We expanded our production capacity and taproom experience to Riverdale Park in 2019. Denizens Brewing Co. is how we share our love of beer, community, and hospitality with the denizens of Prince George's County. From our beginnings in Silver Spring, we have always sought to be a community space that is of service to our neighborhood and beyond.

Emily and Julie are organizers at heart, and Denizens Brewing Co. will always stand up for what is right. Whether that is supporting local non-profits or working towards knocking down barriers to entry for locally-owned small businesses, Denizens Brewing Co. is guided by core company values of inclusion, activism, service, and integrity in all we do.

Jeff's professional brewing background spans over a decade - from apprenticing in New Jersey and Philadelphia, to formal education at the Siebel Institute, to heading up premium beer production for a brewing company in Colorado. He brought his expertise and award winning recipes with him to Maryland to start Denizens in 2014, and we've been drinking our great beer ever since.

FAQs

Q: Are there time restrictions on when I can reserve space at the brewery?

A: You can reserve space any time we are open.

Q: Do you charge food and beverage minimums? What is the purpose of food and beverage minimums?

A: For any private event hosted during our peak service periods (e.g. evenings, weekends), we may require food and beverage minimums in order to provide dedicated space for your event. These minimums are based on the revenue made when we open to the public. All food and beverages purchased during your event count towards your minimum. If you do not reach the minimum during your event we will charge the remaining amount owed as an event fee.

Q: Can my group have separate tabs or am I required to host on one tab?

A: It depends on the day and time of your event. In all cases, we require a card on file in the case of unclaimed items.

Q: Can I bring a cake?

A: Yes, you are welcome to bring in cakes or cupcakes. There is a \$25 cake fee that includes storage (if desired), usage of our dishes and silverware, and any clean up that is required. There is an additional \$25 fee if you would like us to cut the cake for you.

Q: Can I bring in decorations?

A: Our decoration policies vary depending on which space you are reserving, however, in general we welcome balloons, signage, etc. In all cases, we ask that you do not bring in any glitter, confetti, or other items that are difficult to clean up. If these items are used, we will charge a clean up fee.

Q: Are children allowed on the premises?

A: Children accompanied by caregivers are welcome. Because we are a manufacturing facility, we ask that children remain seated and under the watch of a caregiver at all times. Individuals under 21 are not able to participate in brewery tours.
